MEET MARY & ASHLEY

Hey guys, we're Mary & Ashley. Dance has been a part of our lives since the two of us can remember. We both grew up dancing at studios, Mary in Minnesota, and Ashley in Missouri. After high school our paths crossed as we both auditioned for the University of Minnesota's Dance Team. Each year we competed at UDA nationals, and our junior year of college the team was selected to compete at the ICU World Championship competition representing Team USA.

Our time on the dance team consisted of 7 national championship titles and one world championship title. We led the team as co-captains, created lots of memories, lots of sweat, and a lifelong friendship. After graduating college, Mary auditioned for her favorite television show, So You Think You Can Dance on FOX, and Ashley began her first season as the assistant coach for the University of Minnesota Dance Team! As we both continued teaching, coaching, and choreographing independently, we quickly realized that our time in the dance world was far from over.

We created Move so dancers everywhere can share in the inspiration we feel when we watch and learn from other dancers. Move is meant to connect dancers from across the world in a way that has never been done before. We want to share our secrets, and everyone else's too, so dancers from anywhere and everywhere can learn and grow together. That being said...**WELCOME TO MOVE!**
